¹ Increase from 2021 reflects compensation increases approved by the EC on June 11, 2021.

² Meeting Expenses and EC Travel Expenses assume that one-half of all 2022 NYSRC EC and subcommittee meetings will be in person and that EC in person meetings will be held at the Wolferts Roost CC.

³ Assumes the same consultant workload as in 2021, in addition to a total of \$5000 compensation increases approved by the EC on June 11, 2021.

⁴ Does not include possible NYSRC website upgrade cost.

⁵ Because of significant insurance cost increases since 2019, this budget item assumes that 2022 insurance expenses will be 10% higher than the actual 2021 insurance expense of \$66,411.
