Re: Version 39 of the New York State Reliability Council ("NYSRC") Reliability Rules  
& Compliance Manual

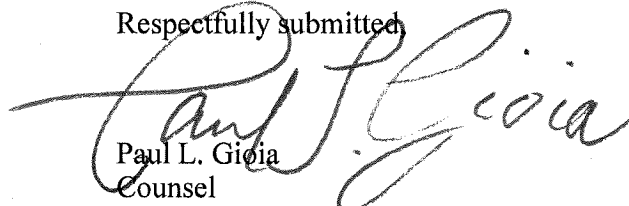

Dear Secretary Burgess:

Attached for the Commission's information is Version 39 of the NYSRC's Reliability Rules & Compliance Manual, which is available on the NYSRC's website: [www.nysrc.org](http://www.nysrc.org). Version 39 was adopted by the NYSRC Executive Committee on November 10, 2016. Section 6 of the Reliability Rules & Compliance Manual provides a Manual Version History. The Manual Version History indicates the revisions subsequent to the adoption of Version 38 were Revised Requirements F.1 (R1 and R3), related Measures 1 and 3, and Levels of Non-Compliance; and removed Reliability Rule F.2 and related Requirements and compliance elements; (PRR133); New Requirements G.2 (R3, R4, R5 and R6) and related Measures M3, M4 and M5 and Levels of Non-Compliance (PRR 131C); Removed Reliability Rule I.5 and related Requirements and compliance elements (PRR134). Copies of PRR133, PRR131C and PRR 134 are also attached.

This filing was submitted electronically on this date.

Please contact me if you require any further information concerning Version 39 of the NYSRC Reliability Rules & Compliance Manual.

Respectfully submitted,

Paul L. Gioia  
Counsel

New York State Reliability Council
