

Dear Brian,

Over the past 20 months, NYISO staff, Market Participants and Stakeholders have participated in more than 365 virtual governance meetings. On Nov. 17, the NYISO will resume the long awaited, in-person governance meetings onsite at 10 Krey Blvd in Rensselaer. The NYISO Governance meetings will continue to accommodate stakeholders wishing to participate remotely via WebEx or phone. Anyone who is not fully vaccinated must participate remotely.

To protect the health and safety of Market Participants and NYISO staff, we ask that you please review this important information in advance of attending meetings in-person:

- Please RSVP to governance meetings five business days in advance and select “in person”
- Stakeholders will be required to verbally answer a series of attestation questions upon entry into the lobby of the NYISO (please review the [protocols/questions](#) prior to arrival to avoid delay and or being denied entry)
- Stakeholders will be required to provide proof of covid-19 vaccination or Excelsior Pass for each entry into the facility (NYISO is not storing copies/proof of vaccination)
- Stakeholders will be required to stop for temperature screening in the lobby prior to entry into the facility
- It is recommended that visitors wear an appropriate mask while in the NYISO facility, but it is not required
- Stakeholders are expected to show a driver’s license or government ID upon entry

On behalf of the NYISO, thank you for your ongoing dedication and participation in the NYISO virtual governance meetings. We look forward to seeing you soon.

Best,

Mark Seibert | [LinkedIn](#)
