

**NEW YORK STATE RELIABILITY COUNCIL
EC #311 – Friday March 14, 2025**

Status Report Under Frequency Load Shed WG March 6, 2025

- **Still in the Information Gathering Stage**
 - The NYISO staff reviewed their process for reviewing the annual submittals to NYISO
 - Roundtable discussion to understand if the NY Transmission Owners annual UFLS Program modifications are based on previous peak loads or forecasted future peak loads reflective of known increases in peak loads
 - Under frequency load shed study (once-every-five years)
 - Will discuss further in a subsequent meeting
- **Next Steps**
 - Continued discussion of the Planning Coordinator & NPCC once-in-five- year studies and coordination
 - Need written summaries of the information gathering
 - Develop recommendation(s) and draft white paper for RRS and NYSRC EC consideration
- **Next Meeting UFLS WG**
 - TBD
